

Windows 7 Compatibility

Sage MAS 90 and 200

Sage supports Sage MAS 90 and 200 versions 4.3 and 4.4 running on Windows 7® with a Hot Fix download from [Sage Online](#). Versions older than 4.3 will not be supported on Windows 7. For installation instructions, please refer to Knowledge Base articles #522926 for 4.3, and #523005 for 4.4.

Sage is currently developing a Hot Fix to support Windows 7 compatibility for Extended Enterprise Suite 1.3 and 1.4, and will provide an update as soon as it's available.

For more detailed information, please refer to the Supported Platform Matrix, posted on Sage Online.
